Got the news today
But they said I had to stay
A little bit longer and I'd be fine
When I thought it'd all be done
When I thought it'd all been said
A little bit longer and I'll be fine.
But you don't know what you got til it's gone
And you don't know what it's like to feel so low
And everytime you smile or laugh you glow
You don't even know, know, know.
You don't even know

All this time moves by
Still no reason why
A little bit longer and I'll be fine.
Waitin on a cure

But none of them are sure
A little bit longer and I'll be fine
But you don't know what you got til it's gone
You don't know what it's like to feel so low.
And everytime you smile or laugh you glow
You don't even know, know, know.
You don't even know, know, know.
You don't even know, no

And you don't know what you got til it's gone.
Don't know what it's like to feel so low, yeah!
And everytime you smile or laugh you glow,
You don't even know! yeah! woah!

So I'll wait til kingdom come.
All the highs and lows are gone.
A little bit longer and I'll be fine.
I'll be... fine
