You never listen to me
I know I'm better off alone
Everybody knows it's true
They can all see through you
No it won't be hard to do
To waste myself on you
[Oooh]

So I'll wait for her, to come
She won't break my heart
Because you know, she'll be
From Australia
She is so, beautiful
She's my dream girl
Lalala lalala
She's my dream girl

You were the one I thought I needed
I'm better off alone
Everybody knows it true
They all know your secrets
Everything you knew was true
I just walked out of your life
How does it feel?

So I'll wait for her, to come
She won't break my heart
Cus you know she'll be from australia
She's so beautiful
She's my dream girl
Lalalalalalaa
She's my dream girl

She will be there
Not that you care
There is no need to worry
The girl of my dreams
Who I know will be
There for me when I'm down
She'll stick around

I'll just wait for her

To come
She wont break my heart
Cus I know she'll be from australia
She's so beautiful
She's my dream girl
Lalalalalaaa
She's my dream girl
[Guitar solo]

So I'll wait for her to come
She wont break my heart
Cus you know shell be from australia
She's so beautiful
She's my dream girl
Lalalalalala
She's my dream girl...
Dream girl [ooh]
