Everyday you don't really know
What life is all about
Thinking that you're here with me
I start to jump and shout
Everyday, baby, every night
You always say hello
But tell me who you really are and sign up on my phone

Chorus:

Trying not to fool around
And say that you are here
I am not the only one
Who's trying to be scared
I hide under my bed and say that isn't true
That's no way hot you feel my body
Do, do, do, do, do, do, do

Hey, hey, yeah, yeah,
Hey, hey, yeah, yeah, yay
Oh no

All this time you thought of me
And I start to go away
I felt really bad for you
That I don't know what to say
My heart starts beating real fast
Every day and night
But don't you worry I am sorry to say that isn't tight

Chorus:

Trying not to fool around
And say that you are here
I am not the only one
Who's trying to be scared
I hide under my and say that isn't true
That's no way how you feel my body
Do, do, do, do, do, do, do

I am free
There's nothing wrong with me
I'm happy
Oh yeah, I'm happy

MEGAPHONE VOICE:

I am cool and you are not
Trying to think you are hot!
Oh baby

Hey, uh huh
Oh yah yah yah

Chorus:

Trying not to fool around
And say that you are here
I am not the only one
Who's trying to be scared
I hide under my bed, yeah, and say that isn't true
That's no way how you feel my body
Do, do, do, do, do, do, do
That's no way how you feel my body oh
Do, do, do, do, do, do, do
Yeah!
