Hey, get up, get loud  
Start pumpin' up the party now  
Hey, get up, get loud  
Start pumpin' up the party now

It's the same old, same grind  
But we don't feel we're wasting time  
Not so bored that we can't find  
A better way  
My friends, my kind  
No one's getting left behind  
If they did it'd be a crime  
That's why we say  
Let the music start a revolution  
No time to play it safe

Hey, get up, get loud  
Start pumpin' up the party now  
Hey, get up, get loud  
Start pumpin' up the party now

They can't, we can  
Parents might not understand  
Havin' fun without a plan  
But that's what we do  
We're all here, let's go  
Gotta make this party grow  
Together we can make it blow  
Right through the roof  
The music's gonna start a revolution  
Too late to play it safe

Hey, get up, get loud  
Start pumpin' up the party now  
Hey, get up, get loud  
Start pumpin' up the party now

We don't have to paint by numbers  
Let our voice come out from under  
Hear it rise, feel the thunder  
It's time to lose control

Hey, get up, get loud  
Start pumpin' up the party now  
Hey, get up, get loud  
Start pumpin' up the party now  
(Repeat and fade)
