If you could gaze into the future
You might think life could be a breeze (cuz life is a breeze)
Seeing trouble from a distance
But it's not that easy(oh no)

(Hook)

I try to save the situation man I end up
Misbehavin'
(Ooooooooooooooooooooooooooooo)

(Rap)

Hey now what u say now
About to put it down yeah come on
And ride with the rae now
In the future it looks gray now
But everythings goin'
Change now
(all right all right here we go)

Chorus2x's:

That's so raven(its the future I can see)
That's so raven(its so mysterious to me)
