Lalalalala lalalalaha lalalahaa

You were my best friend
My reason in this way
Will not be erased
You were always with me
We were always together
Are you going to miss

Yeah! yeah!

(Chorus)

But tomorrow will remember
Who I was or who was
And forget tomorrow
Ohh yeah yeah
But tomorrow will remember
Who I was or who was
And forget tomorrow
(Is that forget)

Lalalalala lalalalaha lalalahaa

You were my greatest delusion
My reason for being lost
It will not return
Being with you is a big relief
The feeling of a great sigh
And love you again

(Chorus)

But tomorrow will remember
Who I was or who was
And forget tomorrow
Ohh yeah yeah (are you to forget)
But tomorrow will remember
Who I was or who was
And forget tomorrow

Uhhhhh ohhh ohhhh!

Tomorrow I hope you remember that even
(Remember)
I hope I never forget
Yeahh! yeah! ohhh!

(Chorus)

But tomorrow will remember
Who I was or who was
And forget tomorrow
(Forget)
But tomorrow will remember
Who I was or who was
And forget tomorrow
