You're talkin' like you're goin' somewhere
Tell me where and I will follow
You're dressing up and combing your hair
Like you won't be back tomorrow, whoa, yeah

I don't wanna think it over
'Cause I've known from the start
Every morning brings a new change of heart

I've been hangin' out with my friends
Drinkin', smokin', watchin' TV yeah
I only want to see you again
How did I let this happen to me, whoa, yeah

I don't wanna think it over
'Cause I've known from the start
That I want you on my shoulder
Lying here in the dark
Every morning brings a new change of heart

When I turn around I know
You're never at the door
Funny how you love the ones you're lying for
Love the ones you're dying for

I don't wanna think it over
'Cause I've known from the start
That I want you on my shoulder
Lying here in the dark
Every morning brings a new change of heart
