Today I woke and said to me, (wey-ee-ay-oh) 'cause
youre mine,
And then Im fallen back to sleep and your all in my
mind.
I dreamed that we were flying thousand miles an hour,
So we could get away to be alone for hours.

The phone can ring but I dont care, (wey-ee-ay-oh)
cause youre mine,
The world can end and thats okay, (wey-ee-ay-oh)
cause youre mine.
Inside I only care about the one I love,
And you are number one to me, the one I love.

You own my heart and more, till the end of time.
You are the only one whos ever on my mind.

Tonight we ate and it was love, (wey-ee-ay-oh) and
youre mine,
We danced around like kids in love,
(wey-ee-ay-oh) cause youre mine.
We sang the songs, to which we knew just half the
words,
We played Relieveo and scared off all the birds.

You say to me that you are mine,
(wey-ee-ay-oh) cause youre mine,
I let you know that youre the one, (wey-ee-ay-oh) all the
time.
So now the night will end cause my dads on the prowl,
He paged a thousand times tonight for every hour.

You own my heart and more, till the end of time.
You are the only one whos ever on my mind.
You own my heart and more, till the end of time.
You are the only one whos ever on my mind.

You own my heart and more, till the end of time.
You are the only one whos ever on my mind.
You own my heart and more, till the end of time.
You are the only one forever on my mind.
