I got my radio on behind the box of my cereal  
And it's a pretty cool song for bringing me back to life  
I got my Kangaroos on, on my way to go visit you  
'Cause you been doin' me wrong but that doesn't  
matter tonight

'Cause I been thinkin' a long time about the things that  
we did right  
I can't go on living in a world I know is gone

Tonight, tonight  
We're gonna lay down our arms tonight  
'Cause half my heart's in the stereo  
And the other half's screwed on tight

Tonight, tonight  
We're gonna lay down our arms tonight  
'Cause half my heart's saying let it go  
And the other half stays to fight

I got my radio on behind the box of my cereal  
And it's a pretty cool song for bringing me back to life

Tonight  
We're gonna lay down our arms tonight  
'Cause half my heart's in the stereo  
And the other half's screwed on tight

Tonight, tonight  
We're gonna lay down our arms tonight  
'Cause half my heart's saying let it go  
And the other half stays to fight
