You and I were cool
But every one that you pursue
Can see that I was dumb
And you would do me wrong

I was real depressed
And only you
And you addressed
And now the truth is I confess
That I was wrong
I was wrong
I was wrong

You pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to get

Yea

Now that I'm abused
By every body you abused
And every one
Can see I'm dumb
And I'm alone

I would do the worst to anybody
But the first
So I would be the one
That holds it in too long
Way too long
Way too long

You pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to get

You pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to get

Yeah, yeah

You pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to get
