Will you love me forever?
We can blame it on the weather,
If you don't come home this December,
Every mile is a measure,
This distance just keeps getting better,
Please excuse me while I pull myself together,

Because I'm breaking down without you,
Wait for me, baby I'll always be, just a dreamer.

May I have this dance?
This might be my last chance,
To impress you with the lines I use,
I'm not the person you once knew,
I fell so fast,
The clock had to catch it's breath,
Nothing left for me to lose,
Except a heartbeat mistaken for a bruise.

I swear I'll pray for better days,
And sing out key in different ways,
Just like the ocean waves,
I bet my pictures have left your frames,
Send a text to wash all the pain away,
Now just watch me as I make your make-up rain,

Because I'm breaking down without you, without you,
Wait for me, baby I'll always be, just a dreamer.

May I have this dance?
This might be my last chance,
To impress you with the lines I use,
I'm not the boy that you once knew,
I fell so fast,
The clock had to catch it's breath,
Nothing left for me to lose,
Except a heartbeat mistaken for a bruise.

May I have this dance?
This might be my last chance,
To impress you with the lines I use,

I'm not the boy that you once knew,
I fell so fast,
The clock had to catch it's breath,
Nothing left for me to lose,
Except a heartbeat mistaken for a bruise.

Because I'm breaking down without you, without you,
Wait for me, baby I'll always be, just a dreamer.
