Will you love me forever?  
We can blame it on the weather,  
If you don't come home this December,  
Every mile is a measure,  
This distance just keeps getting better,  
Please excuse me while I pull myself together,

Because I'm breaking down without you,  
Wait for me, baby I'll always be, just a dreamer.

May I have this dance?  
This might be my last chance,  
To impress you with the lines I use,  
I'm not the person you once knew,  
I fell so fast,  
The clock had to catch it's breath,  
Nothing left for me to lose,  
Except a heartbeat mistaken for a bruise.

I swear I'll pray for better days,  
And sing out key in different ways,  
Just like the ocean waves,  
I bet my pictures have left your frames,  
Send a text to wash all the pain away,  
Now just watch me as I make your make-up rain,

Because I'm breaking down without you, without you,  
Wait for me, baby I'll always be, just a dreamer.

May I have this dance?  
This might be my last chance,  
To impress you with the lines I use,  
I'm not the boy that you once knew,  
I fell so fast,  
The clock had to catch it's breath,  
Nothing left for me to lose,  
Except a heartbeat mistaken for a bruise.

May I have this dance?  
This might be my last chance,  
To impress you with the lines I use,  
I'm not the boy that you once knew,

I fell so fast,  
The clock had to catch it's breath,  
Nothing left for me to lose,  
Except a heartbeat mistaken for a bruise.

Because I'm breaking down without you, without you,  
Wait for me, baby I'll always be, just a dreamer.
