Wishing I could come out of the fog

Superhero pals

Burst out of the sand

And I bought you flowers

You just say the word

I could wish she comes

Long

Wish we could connect

Step into the foot

The diving board

Bend into the light

Down the cable lines

Roll onto the earth

Reforming on the wind

Two places at once

Taste the air with you

Undo all the ties

Wishing I could fling one of those lies

See that stretchy smile go

Right across your face.

I want
