Wake... from your sleep  
The drying of your tears  
Today.. we escape  
We escape.

Pack and get dressed  
Before your father hears us  
Before.. all hell.. breaks loose.

Breathe... keep breathing  
Don't lose.. your nerve.  
Breathe... keep breathing  
I can't do this.. alone.

Sing us a song  
A song to keep us warm  
There's such a chill  
Such a chill.

You can laugh  
A spineless laugh  
We hope that your rules and wisdom choke you  
Now we are one  
In everlasting peace

We hope that you choke.. that you choke  
We hope that you choke.. that you choke  
We hope that you choke.. that you choke
