I know what you're thinking But I'm not your property No matter what you say No matter what you say

Move along, there's nothing left to see Just a body, nothing left to see

A couple more for breakfast A little more for tea Just to take the edge off Just to take the edge off

Move along, there's nothing left to see Just a body, pouring down the street

Move along, there's nothing left to see Just a body, nothing left to see

Move along
