"High And Dry"

Two jumps in a week I bet you think that's pretty clever
don't you boy
Flying on your motorcycle watching all the ground
beneath you drop
You'd kill yourself for reacognition kill yourself to
never ever stop
You broke another mirror your turing into something
you are not

Don't leave me high, don't leave me dry
Don't leave me high, don't leave me dry

Drying up in conversation you will be the one who
cannot talk
All your insides fall to pieces you just sit there wishing
you could still make love
They're the ones who'll hate you when you think you've
got the world all sussed out
They're the ones who'll spit at you, you will be the on
screaming out

Don't leave me high, don't leave me dry
Don't leave me high, don't leave me dry

Oh it's the best thing that you've ever had the best
thing that you've ever, ever had
It's the best thing that you've ever had the best thing
that you've ever had has gone away

Don't leave me high, don't leave me dry
Don't leave me high, don't leave me dry
Don't leave me high
Don't leave me high, don't leave me dry
