What do you want from me?  
Now you got me  
Now my fingers bleed  
Now they're staring at me  
I'm a coward now  
I hold my peace

Now you tie me up to your feather bed  
And I twist and turn in a chinese burn  
You won't let go  
You won't let go

You're inside my head  
Inside my head

What do you want from me?  
Now you got me  
Now my energy you suck from me  
And I'm holding on for dear life

Quit smothering me  
Quit laughing at me  
I've got a disease  
An English disease  
It won't let go  
It won't let go

You're inside my head  
Inside my head

What did you put in that syringe?  
Whatever you really said to him?  
Is sitting there, inside of me

And you bother me  
You possess me  
You're there again  
Ahead of me  
And I won't let go  
I won't let go

You're inside my head  
Inside my head  
Inside my head  
Inside my head
