Can you hear them?
The helicopters?
I'm in New York
No need for words now
We sit in silence
You look me
In the eye directly
You met me
I think it's Wednesday
The evening
The mess we're in and

The city sun sets over me

Night and day
I dream of
Making love
To you now baby
Love-making
On-screen
Impossible dream
And I have seen
The sunrise
Over the river
The freeway
Reminding
Of this mess we're in and

The city sun sets over me

What were you wanting?
I just want to say
Don't ever change now baby
And thank you
I don't think we'll ever meet again
And you must leave now
Before the sunrise
Above skyscrapers
The sin and
The mess we're in and

The city sun sets over me
