You don't wanna talk to me
You don't wanna say the word
You're tryin' to get off the hook
You're tryin' to get off the hook
Sprawling on a pin
Hanging off a hook
You're trying to get yourself away
Trying to get yourself away
There's no use dwelling on
On what might have been
Just think of all the fun
You could be having
We know the way you talk
We know what you want
We know what you want
What you really wanted
Take a look around
There's candles on the cake
On what might have been
Roads you should have took
Mistakes mistaken
There's no use dwelling on
No use dwelling on
Its such a beautiful day
Its such a beautiful day
Find yourself another end
Go on and get some rest
Its such a beautiful day
Its such a beautiful day
Go up to the mic
Go up to the mic
Go and get some rest.
