In the next world war, jackknifed juggernaut
I am born again

In the neon sign scrolling up and down
I am born again

In an interstellar burst
I am back to save the universe

In a deep deep sleep of the innocent
I am born again

In a fast German car, I'm amazed that I survived
An airbag saved my life

In an interstellar burst
I am back to save the universe

In an interstellar burst
I am back to save the universe

In an interstellar burst
I am back to save the universe
