In the next world war  
In a jackknifed juggernaut  
I am born again

In the neon sign  
Scrolling up and down  
I am born again

In an interstellar burst  
I am back to save the universe

In a deep, deep sleep  
Of the innocent  
I am born again

In a fast German car  
I'm amazed that I survived  
An airbag saved my life

In an interstellar burst  
I am back to save the universe

In an interstellar burst  
I am back to save the universe

In an interstellar burst  
I am back to save the universe
