Destiny, destiny protect me from the world
Destiny, hold my hand protect me from the world
Here we are with our running and confusion
And I don't see no confusion anywhere

And if the world does turn
And if London burns I'll be standing on the beach with
my guitar
I wanna be in a band when I get to heaven
Anyone can play guitar
And they won't be anything anymore

Grow my hair, grow my hair

I am Jim Morrison
Grow my hair
I wanna be wanna be wanna be Jim Morrison

Here we are with our running and confusion
And I don't see no confusion anywhere
And if the world does turn
And if London burns I'll be standing on the beach with
my guitar
I wanna be in a band when I get to heaven
Anyone can play guitar
And they won't be anything anymore
