We really love you and we need you

And oh banana co.

We'd really love to believe you

But everything's underground

We gotta dig it up somehow

Yeah yeah

Oh she said "No go"

She said she'd like to

She's seen you

But no, no go

She knows if you die then we all do

And everything's underground

We've gotta dig it up somehow

Yeah yeah

Everything's burning down

We gotta put it out somehow

Yeah yeah
