She bit me, she bit me, she bit me, ow
I got the poison, poison, poison now

I'm standing in the hall
I'm puking at the wall
It's all in sound to the conger eel

The bangers in the mash
The negatives for cash
You're either in the club, baby, or you're not

Whatever turns you on
Whatever gets you up
Chief of police or vice-chancellor

Lord and Lady bla bla
The vicar and the judge
You're all dancing to my little red book

Because you bit me, bit me, bit me, ow
I got the poison, poison
And now I want more

If you are on the top
Then it is a long drop
The pyramid is power
We're changing by the hour

If you are on the top
Then it is a long drop
If you stare into the dark
The dark will stare back
Back into your soul

I wanna thank you, thank you, thank you all
I'm having such a good time, good time
I'm having a ball

I'm taking you down, I'm taking you down
I'm taking you down, when I go down
I'm taking you down, I'm taking you down

I'm standing in the hall, I'm puking at the wall

Because you bit me, bit me, bit me, ow

Bit me, bit me, bit me, ow

I got the poison
