In my mind and nailed into my heels.  
All the time killing what I feel.

And everything I touch  
[All wrapped up in cotton wool]  
[All wrapped up and sugar coated]  
turns to stone.

And everything I touch  
[All wrapped up in cotton wool]  
[All wrapped up and sugar coated]  
turns stone.

I am fused just in case I blow out.  
I am glued just because I crack out.

Everything I touch turns to stone.  
Everything I touch  
[All wrapped up in cotton wool]  
[All wrapped up and sugar coated]
