Everything in its right place
In its right place
In its right place
In its right place

Yesterday I woke up sucking a lemon
Yesterday I woke up sucking a lemon
Yesterday I woke up sucking a lemon
Yesterday I woke up sucking a lemon

Everything
Everything
Everything in its right place
In its right place
In its right place
Right place

There are two colours in my head
There are two colours in my head
What, what is that you tried to say?

Tried to say
Tried to say
Tried to say
Tried to say

Everything in its right place
Everything in
Everything
Everything
