A green plastic watering can  
For a fake chinese rubber plant  
In the fake plastic earth  
That she bought from a rubber man  
In a town full of rubber plans  
To get rid of itself  
It wears her out, it wears her out  
It wears her out, it wears her out  
She lives with a broken man  
A cracked polystyrene man  
Who just crumbles and burns  
He used to do surgery  
On girls in the eighties  
But gravity always wins  
And it wears him out, it wears him out  
It wears him out, it wears him out  
She looks like the real thing  
She tastes like the real thing  
My fake plastic love  
But I can't help the feeling  
I could blow through the ceiling  
If I just turn and run  
And it wears me out, it wears me out  
It wears me out, it wears me out  
And if I could be who you wanted  
If I could be who you wanted  
All the time, all the time
