I won't run away no more, I promise
Even when I get bored, I promise
Even when you lock me out, I promise
I say my prayers every night, I promise
I don't wish that I'm strict, I promise
The tantrums and the chilling chats, I promise
Even when the ship is wrecked, I promise
Tie me to the rotten deck, I promise

I won't fool around no more, I promise
Even when I get bored, I promise
Even when you lock me out, I promise
I say my prayers every night, I promise
I won't fool around no more, I promise
