millions of people standing like ghosts  
waiting for the entrance sign  
to heaven or hell or whatever they call  
the place of oblivion after the bomb drops

death wears a big hat and a thin red tie  
he dances in front of all the cameras  
death has a satchel his blood is carrying  
and hidden inside is the key to the world

here comes Mr. B, B-29  
here comes Mr. B-29  
here comes Mr. B, B-29  
here comes Mr. B-29

somewhere in Palestine a crazy young man  
wants to rule the world  
so he buys himself an atom bomb and he drops it on  
your head  
you'll know what he wants 'cause you won't have a face  
to hold on to

yeah, hold on to, yeah

here comes Mr. B B-29  
here comes Mr. B-29  
here comes Mr. B B-29  
here comes Mr. B-29

I don't want to hear about this  
I don't want to know about your confessions  
there's nothing in this life that really means as much as  
me and you  
and life is so important and all you're talking about is  
bombs  
pouring all that money down the drain  
we don't want to hear about it

here comes Mr. B B-29  
here comes Mr. B-29  
here comes Mr. B B-29

here comes Mr. B-29

I don't want to die  
don't want to die  
don't want to die, oh no

I don't want to die  
don't want to die  
don't want to die, wooh

I don't want to die  
don't want to die  
don't want to die

here she comes now Mr. B-29, B-29, B-29

millions of people standing like ghosts  
waiting for the entrance sign  
to heaven or hell or whatever they call  
the place of oblivion after the bomb

here comes Mr. B B-29  
here comes Mr. B-29  
here comes Mr. B B-29
