Transport

Motorways and tramlines

Starting and then stopping

Taking off and landing

The emptiest of feelings

Disappointed people

Clinging onto bottles

And when it comes it's so so disappointing

Let down and hanging around

Crushed like a bug in the ground

Let down and hanging around

Shell smashed, juices flowing

Wings twitch legs are going

Don't get sentimental

It always ends up drivel

One day I am gonna to grow wings

A chemical reaction

Hysterical and useless

Hysterical and

Let down and hanging around

Crushed like a bug in the ground

Let down and hanging around

Let down and hanging

Let down

Let down

You know, you know where you are with

You know where you are with

Floor collapsing, floating

Bouncing back and

One day I am gonna grow wings

A chemical reaction

(You know where you are)

Hysterical and useless

(You know where you are)

Hysterical and
(You know where you are)

Let down and hanging around
Crushed like a bug in the ground
Let down and hanging around
