Bummed out again
Buy early business friend
The smell of fear is bigger than you think

Hey don't do it
Do it

Change seem to fit
In the end you just feel sick
And then you choke on an anesthetic

Hey don't do it
Lewis
Lewis
Save yourself the pain
You'll never get there
Lewis
Save yourself the pain
It never really matters here

We never noticed
We never understood
He just get crushed to fit
He never even smile

At the best, it's the best,
It's the best day I know

Lewis
Save yourself the pain
You'll never get there
Lewis
Save yourself the pain
It never really matters here

Lewis
Mistreated
I call you blue
Lewis
Mistreated
I call you blue

I don't wanna talk about it
I don't wanna talk about it
I don't wanna talk about lewis! lewis! lewis!
I don't wanna talk about it
Lewis! lewis! lewis!
