The dark cell  
The pit of my soul  
The last one out of the box  
The one who broke this spell

Little by little by hook or by crook  
I'm such a tease  
And you're such a flirt  
Once you've been hurt  
You've been around enough

Little by little by hook or by crook  
Never get nervous  
Never get judged  
I'm no idiot  
I should look

Your clue on hold, snapped up

Crawling with my love  
The last one out of the box  
The one that broke the seal

Obligation  
Complication  
Routines and schedules  
Drug and kill you  
Kill you

Little by little by hook or by crook  
Never get nervous  
Never get judged  
I'm no idiot  
I should look
