drift all you like from ocean to ocean  
search the whole world drunken confessione  
and hijacks and films just make you moan alone  
if you come home i'll make you a cake  
lay your velvet eyes  
i wish i could see you just when i kill  
you're my man o war  
and the worms will eat you whole  
so unplug your phone  
stop all the chatter  
it all comes flooding back  
from poisoned clouds  
to poison the world  
you're my man o war  
and the worms will eat you whole, my love  
and the worms will eat your home  
you whole my love
