Faith, you're driving me away  
Faith, you're driving me away  
You do it everyday  
You don't mean it  
But it hurts like hell  
My brain says I'm receiving pain  
A lack of oxygen  
From my life support  
My iron lung  
We're too young to fall asleep  
Too cynical to speak  
We are losing it  
Can't you tell?  
We scratch our eternal itch  
A twentieth century bitch  
And we are grateful for  
Our iron lung  
The head shrinkers  
They want everything  
My uncle Bill  
My Belisha beacon  
The head shrinkers  
They want everything  
My uncle Bill  
My Belisha beacon  
Suck, suck your teenage thumb  
Toilet trained and dumb  
When the power runs out  
We'll just hum  
This, this is our new song  
Just like the last one  
A total waste of time  
My iron lung  
The head shrinkers  
They want everything  
My uncle Bill  
My Belisha beacon  
The head shrinkers  
They want everything  
My uncle Bill  
My Belisha beacon  
And if you're frightened

You can be frightened  
You can be, it's OK  
And if you're frightened  
You can be frightened  
You can be, it's OK  
The head shrinkers  
They want everything  
My uncle Bill  
My Belisha beacon  
You do it everyday  
You don't mean it  
But it hurts like hell  
My brain says I'm receiving pain  
A lack of oxygen  
From my life support  
My iron lung  
We're too young to fall asleep  
Too cynical to speak

Can't you tell?  
We scratch our eternal itch
