"My Iron Lung"

Faith, you're driving me away
You do it every day
You don't mean it
But it hurts like hell

My brain says I'm receiving pain
A lack of oxygen
From my life support
My iron lung

We're too young to fall asleep
Too cynical to speak
We are losing it
Can't you tell?

We scratch our eternal itch
A twentieth century bitch
And we are grateful for
Our iron lung

The head shrinkers
They want everything
My Uncle Bill
My Belisha beacon

The head shrinkers
They want everything
My Uncle Bill
My Belisha beacon

Suck, suck your teenage thumb
Toilet trained and dumb
When the power runs out
We'll just hum

This, this is our new song
Just like the last one
A total waste of time
My iron lung

The head shrinkers
They want everything

My Uncle Bill
My Belisha beacon

The head shrinkers
They want everything
My Uncle Bill
My Belisha beacon

And if you're frightened
You can be frightened
You can be, it's OK

And if you're frightened
You can be frightened
You can be, it's OK

The head shrinkers
They want everything
My Uncle Bill
My Belisha beacon

The head shrinkers
They want everything
My Uncle Bill
My Belisha beacon
