

## Radiohead "Paranoid Android"

Please could you stop the noise? I'm trying to get some  
rest  
From all the unborn chicken voices in my head

What's that?  
(I may be paranoid, but not an android)  
What's that?  
(I may be paranoid, but not an android)

When I am king you will be first against the wall  
With your opinion which is of no consequence at all

What's that?  
(I may be paranoid, but no android)  
What's that?  
(I may be paranoid, but no android)

Ambition makes you look pretty ugly  
Kicking and squealing, Gucci little piggy

You don't remember, you don't remember  
Why don't you remember my name?  
Off with his head, man, off with his head, man  
Why don't you remember my name? I guess he does

Rain down, rain down  
Come on, rain down on me  
From a great height  
From a great height, height

Rain down, rain down  
Come on, rain down on me  
From a great height  
From a great height, height

(Rain down)  
That's it, sir, you're leaving  
The crackle of pigskin  
(Rain down, come on, rain down on me)  
The dust and the screaming  
The yuppies networking

The panic, the vomit  
(From a great height)  
The panic, the vomit  
(From a great height)  
God loves his children  
God loves his children, yeah!
