How'd you get your teeth so pearly?  
Dew-drop dentures, white-washed faces  
She runs from the third world pearly

Vanilla  
(Feel it crawl to me)  
Milkshakes  
(Crawl back again)

From Hard Rock  
(Whatever you say)  
Cafes  
(Make it go away)

That's where  
(I feel it crawl to me)  
She got her  
(Crawl back again)

Sweet tooth  
(Make it go away)  
For white boys  
(Whatever you say)  
She runs from the third world pearly

Hurts me  
Darling, hurts me  
Darling, use me  
Darling, use me
