## "Prove Yourself"

I can't afford to breathe in this town  
Nowhere to sit without a gun in my hand  
Hooked back up to the cathode ray

I'm better off dead  
I'm better off dead  
I'm better off

Prove yourself  
Prove yourself  
Prove yourself

I want to breathe, I want to grow  
I'd say I want it but I don't know how  
I work, I bleed, I beg, I pray

But I'm better off dead  
I'm better off dead  
I'm better off

Prove yourself  
Prove yourself  
Prove yourself

I'm better off dead  
I'm better off dead  
I'm better off

Prove yourself  
Prove yourself  
Prove yourself  
Prove yourself

Whoa  
Prove yourself  
Prove yourself  
Prove yourself
