i jumped in the river and what did i see? \* black-eyed  
angels swam with me \* a moon full of stars and astral  
cars \* and all the figures i used to see \* all my lovers  
were there with me \* all my past and futures \* and we  
all went to heaven in a little row boat \* there was  
nothing to fear and nothing to die \* i jumped into the  
river and what did i see? \* black-eyed angels swam  
with me \* a moon full of stars and astral cars \* and all  
the figures i used to see \* all my lovers were there with  
me \* all my past and futures \* and we all went to  
heaven in a little row boat \* there was nothing to fear,  
nothing to die \* there was nothing to fear, nothing to  
die \* there was nothing to fear, nothing to die \*
