I wrapped you inside my coat  
When they came to firebomb the house  
I didn't feel pain, 'cause no-one can touch me  
Now that I'm held in your spell

A beautiful girl  
A beautiful girl  
Can turn your world into dust

Sell me a car that goes  
Sell me a house that stands  
I never cared before, I never cared before  
I never cared before, before, before, before

A beautiful girl  
A beautiful girl  
Can turn your world into dust

A beautiful girl  
A beautiful girl  
Can turn your world into dust

I stood in front of her face  
When the first bullet was shot
