I jumped in the river and what did I see?  
Black-eyed angels swam with me  
A moon full of stars and astral cars  
All the things I used to see  
All my lovers were there with me  
All my past and futures  
And we all went to heaven in a little row boat  
There was nothing to fear and nothing to doubt

I jumped into the river  
Black-eyed angels swam with me

A moon full of stars and astral cars  
And all the things I used to see  
All my lovers were there with me  
All my past and futures  
And we all went to heaven in a little row boat  
There was nothing to fear and nothing to doubt

There was nothing to fear and nothing to doubt  
There was nothing to fear and nothing to doubt
