"Rabbit In Your Headlights"

I'm a rabbit in your headlights
Scared of the spotlight
You don't come to visit
I'm stuck in this bed

Thin rubber gloves
She laughs when she's crying
She cries when she's laughing

Fat bloody fingers
Are sucking your soul away
(Away, away, away)

I'm a rabbit in your headlights
Christian suburbanite
Washed down the toilet
Money to burn

Fat bloody fingers
Are sucking your soul away

{If you're frightened of dyin' and you're holding on
You'll see devils tearing your life away
But if you've made your peace, then the devils are
really angels
Freeing you from the earth, from the earth, from the
earth}

Rot worms on the underground
Caught between stations
Butter fingers
I'm losing my patience

I'm a rabbit in your headlights
Christian suburbanite
You got money to burn

Fat bloody fingers
Are sucking your soul away
Away, away, away
Away, away, away
