It's like I've fallen out of bed
From a long and vivid dream
The sweetest flowered fruits are hanging from a tree
Falling off a giant bird that's been carrying me
It's like I've fallen out of bed from a long and vivid
dream

Just exactly as I remember
Every word
Every gesture
I've my heart in my mouth

Like I'm falling out of bed
From a long and vivid dream
Finally I'm free of all the weight I've been carrying

And as that woman blows her cover
In the eye of the beholder
I'm a fish now out of water

Falling off a giant bird that's been carrying me

I fell open
I laid under
At the tip out
I lost your number

I wanna slip over
And get back under
If you think this is over then you're wrong
If you think this is over then you're wrong

[(Wake me up, wake me up)]
If you think this is over then you're wrong
[(Wake me up, wake me up)]
If you think this is over then you're wrong

[(Wake me up, wake me up)]
Like I'm falling out of bed from a long and vivid dream
[(Wake me up, wake me up)]
Finally I'm free of all the weight I've been carrying

When at last you give in
When at last you give in

[(Wake me up, wake me up)(Wake me up, wake me
up)(Wake me up, wake me up)(Wake me up, wake me
up)]
