It's like I'm falling out of bed
From a long, weary dream
The sweetest flowers and fruits hang from trees
Falling off the giant bird that's been carrying me
It's like I'm falling out of bed
From a long and weary dream
Just exactly as I remember
Every root
Every gesture
I'm a heart in cold ground
Like I'm falling out of bed
From a long and weary dream
Finally I'm free of all the weight I've been carrying
Every woman blows her cover
In the eye of the beholder
I'm a fish now out of water
Falling off a giant bird that's been carrying me
I fell open
I laid under
At the tap out
I was just a number

I wanna slip it over
And get back under
And if you think this is over
Then you're wrong
If you think this is over
Then you're wrong
If you think this is over
Then you're wrong
(Wake me up, wake me up)
If you think this is over
Then you're wrong
(Wake me up, wake me up)
Like I'm falling out of bed
From a long, weary dream
The sweetest flowers and fruits hang from trees
When I ask you again
When I ask you again
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
