Sit down, stand up

Walk into the jaws of hell (sit down, stand up)

Walk into the jaws of hell (sit down, stand up)

Anytime (sit down)

Anytime (stand up)

Sit down, stand up

Sit down, stand up

We can wipe you out anytime (sit down, stand up)

We can wipe you out (sit down, stand up)

Anytime (sit down)

Anytime

Stand up (the rain drops the rain drops)

Sit down (the rain drops the rain drops)
