In pitch dark
I go walking in your landscape
Broken branches
Trip me as I speak

Just cos you feel it
Doesn't mean it's there
Just cos you feel it
Doesn't mean it's there

There's always a siren
Singing you to shipwreck
(Don't reach out, don't reach out
Don't reach out, don't reach out)
Steer away from these rocks
We'd be a walking disaster
(Don't reach out, don't reach out
Don't reach out, don't reach out)

Just cos you feel it
Doesn't mean it's there
(Someone on your shoulder
Someone on your shoulder)
Just cos you feel it
Doesn't mean it's there
(Someone on your shoulder
Someone on your shoulder)
There there!

Why so green and lonely?
Lonely, lonely

Heaven sent you to me
To me, to me

We are accidents waiting
Waiting to happen

We are accidents waiting
Waiting to happen
