today is gonna be the day
that they're gonna throw it back to you
by now you should've somehow
realized what you gotta do
I don't believe that anybody
feels the way I do about you now
backbeat the word was on the street
that the fire in your heart is out
I'm sure you've heard it all before
but you never really had a doubt
I don't believe that anybody feels
the way I do about you now
and all the roads we have to walk along are winding
and all the lights that lead us there are blinding
there are many things that I would like to say to you
but I don't know how
because maybe..
you're gonna be the one who saves me? .
