You don't wanna talk to me
You don't wanna say the words
You're trying to get off the hook
Trying to get off the hook

Sprawling on a pin
Hanging off a hook
Trying to get yourself away
Trying to get yourself away

There's no use dwelling on
On what might have been
Just think of all the fun
You could be having

We know the way you talk
We know what you want
We know what you want
What you really wanted

Take a look around
There's candles on the cake
On what might have been
The road you should have took
Mistakes mistaken

There's no use dwelling on
No use dwelling on

It's such a beautiful day
It's such a beautiful day
Find yourself a moment
Go and get some rest

It's such a beautiful day
It's such a beautiful day

Go up to the mic
Go up to the mic
Go and get some rest
