I resent you calling  
I resent your voice  
I resent that I don't have a choice

Anywhere I go  
You are always there  
Outside the car  
Or in my hair

I think I've been here before  
Yes I've been here before  
The last time you locked  
All the doors

And I resent you calling  
I resent your voice  
I resent that I don't have a choice  
And yes I am wary  
Yes I am..

I think I've told you once  
I think I needed advice  
You were such a help  
That's very nice

I think I've been here before  
Yes I've been here before  
But this time I kick  
Down your door

And yes I am wary  
Yes I am wary
