"Sight" written by Rae'l Johnson

VERSE 1

I see you looking from the corner of my eye
Tryna be slick like you didn't think I'd notice you
There's no reason for you to act so shy
Why not just step to me, Try your luck tonight
Don't send your friend I want you here now
Come close, real close the music's too loud

CHORUS

You're in my eye line baby you're no side line guy
I want to see your shadow dancing next to mine
You're in my eye line baby you're no side line guy
I want to stay here with you, Baby don't leave my sight

VERSE 2

Let's head on over to the patio
Get to know one another, see if there is chemistry
You look good but looks are only skin deep
I want to see if you can please me mentally
I want to whisper something to you

Do you feel the same way as I do

CHORUS

You're in my eye line baby you're no side line guy
I want to see your shadow dancing next to mine
You're in my eye line baby you're no side line guy
I want to stay here with you, Baby don't leave my sight

BRIDGE

In my, in my, in my eye
In my, in my, in my sight
In my, in my, in my eye
In my, in my, in my sight
Eyyyyyyeyyyyyyyeyeyeyyyyyyy
wahahahahaaaaaaa
OOOOoooOOOOoooOOOOOOOOOO!!!

CHORUS

You're in my eye line baby you're no side line guy
I want to see your shadow dancing next to mine

You're in my eye line baby you're no side line guy
I want to stay here with you, Baby don't leave my sight
